Dear Ms. Sinram

This letter is in response to your letter dated September 14, 2014.

Regarding the "contributions made after election date" issue, Strategy PAC did not designate "P2014" on any of the six checks donated to Senate Campaign Committees. The error involved incorrect data input into the campaign software system, resulting in the reporting errors. Thus, the issue is a matter of mis-reporting, not of designation. Thus, no re-designations are required, but rather four Form 3X needs to be amended.

In the matter of the alleged excessive contribution to Cotton for Senate, the Strategy PAC response is similar. The June 27, 2014 donation did not designate "P2014" on the check. Again, it was a data input error for which we need to amend the Form 3X.

The amended Form 3X has been filed on October 15, 2014, correcting the data input errors indicated above.

Thank you for your consideration.
